### **Traffic Stop Leads to Multiple Arrests**

(REEDSBURG, WI) Three Reedsburg residents were arrested after an officer observed their vehicle driving backwards through a stop sign early Friday morning.

On Friday at approximately 2:00am, Reedsburg police observed a vehicle operate through a stop sign without stopping, while driving backwards, on S. Walnut Street at Vine Street in downtown Reedsburg. The officer stopped the vehicle and questioned the driver and two passengers. All three occupants had been drinking.

The driver, Justin L. Salefski (26), was ultimately arrested for Operating a Motor Vehicle while Intoxicated. After questioning, the officer was made aware by Salefski's wife, Kendra N. Staniszewski-Salefski (25), also a passenger in the vehicle, that the couple's three year old child was left alone at their apartment. Officers immediately responded and took custody of the child who was eventually turned over to a family member. Staniszewski-Salefski was arrested on a probation violation.

The third passenger, Michael J. Staniszewski (21) was arrested for two counts of Bail-Jumping.

All three were transported to the Sauk County Jail and additional charges for Child Neglect are being forwarded to the Sauk County District Attorney's Office.
